I'm happy to help work the booth for an AM shift that day. We should have our "what does the BID do for you" sheets on display. They were to be updated though & don't know if that happened.

Good afternoon LFVBID members,

I have reserved a corner booth for us to represent the Los Feliz Village BID at the Urban Air Market. What I will be doing is making a spreadsheet of our businesses that we can hand out to attendees that day. Let me know if there is anything else you feel we should hand out. This will be a great opportunity for the LFVBID to get exposure. Please let me know by this Friday, May 19th if you can participate and assist in the booth. We will be sharing our space with the Los Feliz Improvement Association. Thank you.
